About Us

Why Gigsport?

1. We are sold out specialists.

We are one of the most popular sold out ticket sellers on the web. We specialise in getting hard-to-find tickets for sold out sporting, theatre and music events at premium rates. We also provide tickets for a variety of special live entertainment shows and hospitality packages.

2. We're experienced.

Our strength is our experience.

We have been in the business for over 25 years. Our team knows ticketing for sold out events inside and out. Over the years, we've taken a lot of pride in ensuring thousands of sporting, music and theatre fans all over the world the once-in-a-lifetime experience of an unforgettable championship upset or the unexpected final gig of their favourite band.

3. You come first.

Let us pull strings for you.

Whatever the event, our aim is to get you there. So if the event you're looking for isn't listed on our site, just give us a call and we'll see how we can help.

4. We've got the best prices.

Unlike other sellers, we promise a fair price.

Once an event sells out, the price of tickets can double, triple or soar even higher above the price printed on the actual ticket. The reason for this is determined by the demand for the ticket and the prices set by competing sellers. While we can't help this, we can promise the best premium price available.
