Introduction by Insolvency Practitioner

Alan Thomas Scott is the sole Director of both Xclusive Leisure & Hospitality Limited and Xclusive Tickets Limited ("the Companies") and will serve as chairman of the meetings for statutory purposes. Attached to this report are copies of the Statements of Affairs sworn by him earlier today.

Prior to receiving instructions to convene the meetings of members and creditors, I, Lane Bednash, have not previously acted for the Companies, their members or directors.

At a meeting of the Companies' shareholders held earlier today, the shareholders placed the Companies into liquidation and Lane Bednash was appointed Liquidator.

The fees and disbursements of Valentine & Co for convening the meetings and preparing the reports and Statements of Affairs are £30,000 inclusive of disbursements and VAT for both Companies. These costs have not been paid and a resolution shall be placed before the meeting of creditors seeking their authority that payment of these costs may be defrayed from the assets of the Company and paid as an expense of the liquidation.

The work undertaken to date by Valentine & Co includes the following:

- Convening statutory meetings of members and creditors
- Assistance with the preparation of the sworn Statement of Affairs
- Assistance with the preparation of the Director's Report
- Compilation, editing and review of the creditors list (over 4,329 creditors)
- Establishing call centre and instruction of call centre staff
- Establishing website www.insolvencynoticeboard.com/xclusive
- Instructing mail centre with regards to the postage of notifications
- Organising and effecting the distribution of all statutory notices (including sending notices to ticket creditors by e-mail)
- Preparation of proxy list for today's meeting
- Attending to numerous telephone calls with creditors, the director and other interested parties.

The disbursement costs in this case have been substantial due to the high number of creditors and their wide geographical dispersion. Legislation requires that notices are sent to all known creditors. While notices can be sent by post alone, I have made concerted efforts to assist creditors by:-

- Sending notices to ticket creditors by post and by e-mail
- Setting up a website to provide creditors with additional information
- Setting up a call centre to assist creditors with their enquiries

These fees and disbursements are to be met from third party funds introduced by the Director's family.

Director's Report and Statement of Affairs as at 9 September 2008

Trading History
(provided by Alan Scott)

Xclusive Tickets Limited ("Xclusive Tickets") was incorporated by Alan Scott ("the Director") on 24 July 2006. Shortly thereafter, in September 2006, Xclusive Leisure & Hospitality Limited ("Xclusive Leisure") was incorporated.

The Companies were formed with the intention of providing tickets for worldwide sporting events, concerts and music festivals. Whilst the principle trading company was Xclusive Leisure, other companies were also formed (including Xclusive Tickets) with their own specific event(s) website to generate further business.

Prior to the formation of the Companies, the Director had worked as an employee for a secondary ticket agent. In June 2005, he left his employer with a view to establishing his own business. He spent most of his time in Germany, generating interest and sales for the Football World Cup. The Director wanted to capitalise on his experience in Germany as he believed that there was great potential in the online ticket market and decided to form Xclusive Leisure.

These companies along with several other related companies, traded from leasehold offices at 202 Blackfriars Road, London SE1 8NJ. The rent for the premises was £50,000 per annum. The rent due on 24 June 2008 has not been paid.

The Companies were funded by an initial £50,000 loan provided by Mr Scott and from subsequent ad hoc injections from the Director. An additional unsecured loan, from Margaret Canty Shepherd, has been personally repaid by Mr Scott. As at the date of liquidation, Mr Scott is owed £204,137, in respect of both companies.

From the outset, the Companies invested heavily in a marketing campaign to ensure their presence on internet search engines. The Companies spent approximately £1,000,000 on advertising in two years, in order to generate 'traffic' to their websites. The aggregate turnover for both companies grew to approximately £5,000,000 per year (net of VAT).

The businesses were trading positively in the period to 31 March 2008. However, in July 2008, the credit card payment acquirer, Wirecard Technologies AG ("Wirecard") withheld 600,000 Euros of online ticket sales monies as a result of restrictions placed on the Companies.

In the same month, the situation was further exacerbated when the Companies principle ticket supplier, 'Peters Ticketing', failed to provide tickets to the Companies for the Beijing Olympics and music festivals in the UK. The Companies had been assured of ticket supplies and had received confirmatory letters that tickets were available. Xclusive Tickets had already paid approximately £1,960,000 for the tickets several weeks earlier.

The Director made numerous attempts to contact Mr Smith when the tickets failed to arrive. The Director believes that 'Peters Ticketing' office has been vacated and he is unable to contact Mr Smith. Mr Scott has informed the police.

Without the tickets, customers started seeking refunds and due to the lack of funds the Director felt that the Companies had no alternative but to cease trading. In August 2008, he sought the advice of the Companies accountants, and was subsequently referred to Valentine & Co. resulting in the convening of today's meetings of Creditors.

Summary – Reasons for Failure

Mr Scott attributes the failure of the Company to the following primary factor:

- Failure of the Companies tickets suppliers to provide £1,960,000 worth of tickets for the Beijing Olympics and UK music festivals.
- The Companies inability to source tickets elsewhere as a result of the restrictions imposed upon them by the acquirer, Wirecard.

Notes to the Director's Estimated Statement of Affairs for Xclusive Leisure & Hospitality Limited

A - The Statement of Affairs must be read in conjunction with the Director's Report.

B - The Statement of Affairs do not take into account the costs of winding-up.

C - Companies Form 4.19 was sworn/affirmed by Mr Scott on 9 September 2008.

Assets

Office Equipment

According to the Director the Company's office equipment has a book value of £31,038. These assets are, in the main, computers and peripherals. They are not expected to realise any significant value. Furthermore, any realisations are expected to be less than the costs of recovery.

Debtors

Peters Ticketing owes the Company £1,962,506 for tickets paid for but not provided. It is unlikely that any sums will be recovered without an investigation and legal action.

Associated Company Loans

Associated companies Xclusive Tickets Limited (£354,674), World Hospitality Company Limited (£4,070), Tradeandbid.com Limited (£26,078) and ATC.com Limited (£28,544) owe the Company a total of £413,366.

World Hospitality Company Limited, Tradeandbid.com Limited and ATC.com Limited are in liquidation. According to the Liquidator, Filippa Connor of B&C Associates, there will be no distributions to unsecured creditors.

Investments

The Company purchased 99% of the shares in Xclusive Tickets Limited and World Hospitality Company Limited for £1,980. As these Companies are insolvent, the shares are now worthless and cannot be realised.

Cash Held by Valentine & Co

This represents monies introduced by Mr Scott's family to meet the costs of liquidation.

Liabilities

Unsecured Creditors

Trade and Expense Creditors

Details of the Company's creditors are listed in the schedule provided and are as detailed in either the respective Company records or as advised by creditors in response to the notice of today's meeting. Creditors should be aware that in the event of amounts shown on the attached schedule differing from sums detailed in creditors' records, any such discrepancy does not prejudice the creditor's right to claim in the liquidation for the amount that is considered to be outstanding. It is for the duly appointed liquidator to adjudicate upon all creditor claims received in the liquidation.

Director's Loan Account

Mr Scott is owed £141,114 at the date of liquidation for monies injected into the Company.

Associated Companies

A related company, Rugby World Cup ~~2007~~ Hospitality Limited, advanced a loan to the Company. As at the date of liquidation, the liability outstanding amounts to £212,960.

HM Revenue & Customs (PAYE/NIC)

The Director advises that the Company has an accrued PAYE/NIC liability of £116,946 up to the date of liquidation.

Wirecard Bank AG ("Wirecard")

On 12 November 2007, Wirecard entered into a merchanting contract with Xclusive Leisure. As a result of its contractual obligations to the credit card companies, Wirecard is in effect liable to those companies for the charge-backs. Although the ticket creditors are shown by Mr Scott as a liability of Xclusive Tickets, the contract appears to be with Xclusive Leisure. The estimated figure for ticket/consumer creditors is £3,500,000 (as per Mr Scott). The amount claimed by Wirecard is £2,534,452. It would be fair to assume that the amount claimed by Wirecard forms part of the estimated figure for ticket/consumer creditors.

Summary – Prospects for Creditors

Clearly, given the extent of the liabilities and paucity of assets, together with the anticipated costs of winding-up, there are no realistic prospects of funds becoming available to enable a dividend to the unsecured creditors.

It is for the duly appointed liquidator to adjudicate upon all creditor claims received in the liquidation.

Ticket/Consumer Creditors

The Director has provided a list of approximately 4,329 consumer creditors with claims of approximately £3,500,000. Many of these creditors have claims in excess of £100 and who have paid by credit card. Under the Consumer Credit Act 1974, such creditors would be entitled to claim a refund (charge-backs) from their credit card companies and in turn the credit card companies would be able to claim against Wirecard.
